

Denby Dale Travellers - Dates for the Diary

Thursday Evening Club Runs

The new season of Thursday evening Club runs has now started. These excellent quality sessions are for runners of all ability, working as a group and all start at 7pm from the Pie Hall, so why not give them a try!

Upcoming Road Races

Please note on the race list below, that several road races in the coming weeks are already full – Clowne, Percy Pud, Brass Monkey and Snake Lane. As there are not many races at this time of year, if you want to run it's as well to enter early!

London Marathon 2012

The Club has received 2 guaranteed entries for the race on 22 April 2012. Jo Worboys and Nathan Collinson were the lucky winners in the recent ballot for the places! We wish them the best of luck in their training and on the day.

Runner v Bike Challenge – Wednesday 28 December

Too much to eat and drink over Christmas? If so, this is just for you. Starting at 11am from The Pie Hall the course is the same as last year, with 10k for the runners and about 15k for the cyclist, both mainly off-road. There is no entry fee, but please try and bring some food for afterwards in the Pie Hall. Further details are available from John Shone.

DDT Club Handicap

The Club Handicap is scheduled for late January, although date and venue have yet to be finalised. Details will be available soon from Jags Morris and George Russell. A mainly off-road route of around 10k is planned, with the slower runners starting first. So this really is a race that anyone can win – unless you've won it before!
