Andy Kirby		
07-Jun-11		

## **Dates for the Diary**

### **Summer Away Days**

With the lighter evening now here the Summer Away Day runs will be starting soon. Details of the next two away day runs are listed below, with others to follow:

- **Tuesday 28 June – Race the Train.** Runners take on the mighty Badger in a 4.5 mile run from Shelley station to Clayton West. Who will win this year? Organised with Kirklees Light Railway. Further details available from John Shone and on the DDT web site.
- **Tuesday 19 July – Watch Your Time.** Guess how long it will take you to complete the course. Running without a watch, the person closest to estimated time is the winner. Details soon from last years' winner Jeds Morris, although the plan is that this year the race will start and finish at the Pie Hall.

### **Joe Percy 10k – Wednesday 22 June (7.30pm start)**

The Joe Percy 10k is an inter-club team race over an undulating road course from Thurstonland Cricket Club (7.30pm start). The Travellers have taken some notable scalps in past years, so hopefully we can do well again this year! If you would like to run, please let Ross or Jan know asap.

### **Birdsedge Challenge 6m multi-terrain race – Sunday 3 July (11.00am start)**

This is a race the Travellers promote with the Birdsedge Village Festival Committee. The race is now in its 6<sup>th</sup> year and with entries gradually increasing we are hoping for 100 runners or more this year. If you would like an entry form or are able to help on race-day, contact race organiser Pete Andrews.

### **Road Race Championship – Change of Event**

The Saddleworth 6 was due to be held on Wednesday 10 August and had been included in the Road Race Championship. The race however has been cancelled and the Club Captains have decided to include the Arncliffe Fete 4 on Saturday 13 August, near Skipton. There is also a fell race, children's races and traditional village fete etc so a good day out for all the family. An entry form is now available on the 'Road Running' page of this site.
